

Housing Units At Wilmington To Be Discussed

To discuss the disposition of 225 temporary housing units in Wilmington, the federal National Housing Authority will sponsor a meeting at the Wilmington council chambers Wednesday at 11 a. m.

Invited to the session are Col. Byron Rife, commanding officer of the Joliet Arsenal; Joliet city officials; nominees of the Joliet Housing board; Kankakee city officials and Wilmington representatives.

Kankakee has applied for 100 of the homes which the city has agreed to pay for, according to reports, and which will be managed by the Kankakee housing authority. Only veterans will have access to renting the units.

Joliet is expected to seek the other homes but will have competition from Chicago and the University of Illinois.
